A. A. SMITH & BRO.**As a Man's Common-Sense Dictates!**

As a man's common-sense dictates so should he act. When he sees a shop where he can purchase reliable, well-made Clothes for reasonable prices, there is the place his common-sense tells him to buy.

Right here, pin this to your memory: It's possible to sell Clothes—good Clothes for figures under what the average storekeeper charges, and still make a fair profit. We make this statement because we've tried it and proven it to be so; and, what's more, we carry out the principle today in our store of selling quality goods at lower prices than charged most anywhere else outside the big cities.

If the quality, price and modernness of style cut any figure in your Clothes reckoning, there's an intelligent clerk waiting here to serve you. Plenty of Summer Suits here to please the most discriminating.

Extra Trousers are something almost imperative to a man taking a vacation, and a quite important part of any man's wardrobe. We have some excellent \$3.50 and \$4.00 values at \$2.98.

You'll need a Belt or pair of Suspenders to go with the new Trousers. Better get it when you get the Trousers, for it's vexing to get them on and discover that you haven't a suitable Belt or Suspenders to hold them up with.

Most men like to put on light Underwear by the 4th of July, if not before. Those in the habit of paying 50c for good quality balbriggan garments can get them here for 39c, or the 75c grade for 49c. Some desire the "Porosknit" or the "B. V. D." brands. We carry them.

Negligee Shirts, soft roll collar, in pretty, substantial designs, we're selling for 49c. Cost 75c at most places. Then there are some better ones at 98c—actually worth from \$1.25 to \$1.50.

We are showing some of the very highest values in Four-in-hand Neckties at 49c. Some in the popular browns, plaids, etc. Others at 23c that are worth much more. Come in a variety of fetching colors.

For a man who doesn't like to fuss tying a Four-in-hand we've a little bargain this week: Regular 25c small Bow Ties, in colors, for 9c. Come in and get three or four.

Men's, Boys', Ladies' and Misses' Shoes and Oxfords you'll find here in the Summer styles, black and tan leathers. Prices are down to dollar-saving figures.

A Suit Case is pretty nearly indispensable to a man going on a vacation, be the trip long or short. We have them at 95c—the regular \$1.25 kind. Better ones at \$2.49, worth \$3.25. Still better ones, made of leather, good enough for anybody, \$3.93. Same thing elsewhere, \$5.00.

By buying here you save money on nearly every purchase. Join the already long line of satisfied customers—and buy here.

BUY EARLY FOR THE 4TH OF JULY

Good things galore have been coming in all this week, so that you may now find here a complete assortment of holiday market supplies.

Celebrate the Fourth with nice things to eat, as well as by shooting fireworks.

Let us suggest: First, get a fine, juicy roast of Beef, Pork, Lamb, or a native chicken. If you prefer a Steak or Chop, or other reasonable meat, we've got it.

Then, of course, you want some green stuff—Bunch Beets, Tomatoes, Lettuce, Peas, String Beans, Cucumbers, Rhubarb, Asparagus, all fresh—and some new Potatoes to go with the meat.

Now, then, no dinner is complete without some kind of Fruit. Get a Watermelon, some Muskmelons, a Pineapple or two, or a couple baskets of our delicious native Strawberries.

If there's anything in our line we haven't mentioned, ask for it. Probably we have it.

The prices on all these things are as moderate as the wholesale market will allow, and the quality is of the best.

Remember: Our market is open Friday evening, July 3d, until 10 o'clock, and closed Saturday, the 4th, at noon. Consequently, get your orders in early.
